**RE: AUTHORIZATION REGARDING ADM ALLIANCE NUTRITION, INC.
HISTORICAL FILES**

ADM Alliance Nutrition, Inc. (EPA Company Number 1157) hereby authorizes the Office of Pesticide Programs of the U.S. Environmental Protection Agency to release full copies of the registration jackets for:

EPA Reg. No. 1157-48 (ADM ALLIANCE NUTRITION IGR 10.5 BASE MIX)
EPA Reg. No. 1157-49 (ADM ALLIANCE NUTRITION IGR CATTLE PREMIX)

to ADM Alliance Nutrition's consultant representative in this matter, Richard L. Conn of Conn & Smith, Inc.

Mr. Conn's FOIA request for those two registration jackets is prompted by the fact that after exhaustive searching we have been unable to locate 100% of the records of the correspondence to and from EPA for these products. We also have been unable to locate the complete set of the EPA science reviews for these two products, which we assume will be present in the jackets.

ADM Alliance Nutrition, Inc. places a very high priority on the Agency's completion of Mr. Conn's FOIA request. There is no need for EPA to perform its traditional confidential business information review (other than for 3rd party information) prior to release of the requested documents, since in this situation ADM Alliance Nutrition, Inc. is simply requesting copies of documents to which it has rightful access.

If there are any questions concerning this authorization, please do not hesitate to contact me at either (217) 231-2695 or by e-mail at Marty.Smith@adm.com.

Sincerely,

A handwritten signature in blue ink that reads "Martha Smith".
